- Notes**
1. Potential wetland/non-wetland areas depicted here on have not been verified by the US Army Corps of Engineers. Areas depicted as wetlands were identified using a combination of available remote sensing and onsite investigation. Prior to any land disturbing activities, a final jurisdictional determination should be obtained from the US Army Corps of Engineers.
 2. Boundary information taken from in house survey information.
 3. Onsite inspection was conducted during the month of April 2016.
